## KENNEDY'S KOMMENTS

Is it possible that it is already March? Wow, time is going so fast this year. Hopefully the bitter cold weather is over for this season and it sure feels good to get out and enjoy the outside again. But that's not the only thing I'm enjoying. The sweet fellowship of Bethesda Baptist people is almost overwhelming as we meet together, and that brings a warmth that just can't be explained but certainly is liberally shared. Yes, we have some of our people hurting with sickness, or grief, or pain yet that just seems to bring out the care and prayer of this precious family. There is a love here that the world just does not understand, so we must get out and share that with people all around us that we come in contact with in our everyday lives. Jesus is the answer to every question that people around us are asking or not asking but needing. Let's all determine to share this love with Burleson and all around us to help people like the Lord Jesus taught us to do and commanded us to do. (Matthew 28:19,20) Invite people to join us, to meet with us, to find a people who in this world actually cares about them, and most of all to know Jesus. We have something and Someone to offer this community.

I have been excited to see the response of so many wanting to build our adult choir. We still have room for you if you would like to join us on Wednesday nights at 7:30 and then Sunday mornings at 11. It's a call to sacrifice and commitment, but the rewards are so great as we get to lead the congregation in lifting up our LORD in worship and praise, and then from time to time provide special music. Please consider this your personal invitation.

Happy  
Birthday  
to You!

Dear Church Family,

March is upon us and with it comes the arrival of Spring. Spring often brings renewal and refreshment. In this season, we get to witness God's magnificent creation coming to life once again. Genesis 1:14 says, "Then God said, let there be lights in the expanse of the sky to separate the day from the night. They will serve as signs for seasons and for days and years." Just as God has designed seasons for this earth, he has also designed seasons for our lives. Ecclesiastes 3:1-2 reminds us of this.

It says, "There is an occasion for everything and a time for every activity under the heaven: a time to give birth and a time to die; a time to plant and a time to uproot." Everything that God has created goes through seasons and changes. We can use these seasons as opportunities to trust God more because through the changes of our lives God is still working. We know this because God is sovereign, and he is actively present in the lives of his children. Colossians 1:17 reminds us that "He holds all things together." This means that, as his children, we can trust in him and have confidence that God is dynamically working in the seasons of our lives.

God is working in our church. I am continually in awe of everything that God is doing in the life of our church. We have had four new members this year! In addition, we will soon add an Adult Sunday school class. This is exciting and a beautiful answer to prayer. Be sure to stay tuned for more details.

Easter is April 20th and in preparation we will have a prayer walk on April 13th. As we pray for our community, we will also invite as many people as possible to come and hear about the life and the hope that we have in Jesus Christ. The resurrected Lord lives and it is our joy to share him with our friends, families, and neighbors. Let us start today by encouraging everyone in our lives and everyone we meet to join us at Bethesda Baptist Church. Let us continue to be a light in our community by sharing the hope we have in Christ.

In Christ,

Jeremy Dudley  
Interim Lead Pastor
